Small obscure sports off the beaten path are not events we generally cater to. Please do your homework to maximize your time and ours for a mutually beneficial convention.

Convention/Needs:

We would like to work closely with hotel sales to be able to negotiate hotel rates in downtown city locations. Hotels with ticket packages to home sports games would be a great match, as we have the sports customer. We fulfill major sports travel programs to spectator games for baseball, football, basketball, hockey, golf, tennis, auto and horse racing mostly in major cities throughout North America. Small obscure sports off the beaten path are not events we get involved in so please do your homework to save time.

Travel Packages Offered:

Events (festivals, parades), Sports (participatory), Sports (spectator)
